RESILIENCE  
TRUST  
TEAMWORK  
SELF ESTEEM

## Everything you need to know about staying at BMAC

### Gear to bring

You will need your own sleeping bag (or sheets and duvet), pillow and towel. We'll provide a detailed personal gear list once you've confirmed your booking. BMAC supplies all safety equipment, and if individuals do not have adequate raincoats or polypropylene, BMAC can also provide these.

### Your arrival and departure

Your duty instructor will meet your group upon arrival at BMAC, welcome you, and see that you settle in. All groups are required to depart BMAC by 1 pm, unless other prior arrangements have been made.

### Cleaning and duties

We ask that you leave your lodge clean and as you found it. A final check will be completed before you leave. All cleaning materials are provided within the lodges. Any graffiti, losses or breakages of gear or equipment will be your responsibility.

### Emergencies

All BMAC instructors hold pre-hospital emergency first aid certification, so please ask us for help even if you're not at an activity.

### Transport

Each group must arrange their own transport to and from BMAC. We provide vans and trailers for transport to and from activities.

### Telephone and internet

This is a chance to get away from it all. Although Raurimu now has cellphone coverage we suggest that phones are gathered and kept safe by a leader to encourage group interactions.

### On-site policies

We ask that you respect our 'no alcohol' policy on our property.

We prefer that no radios of any kind are brought to BMAC. This is a place to get away from your 'normal life', enjoy the amazing natural surroundings and see the world in a new way.

## LIFE IS AN ADVENTURE ... WE LOOK FORWARD TO HAVING YOU AT BMAC

Pito St, Raurimu, RD1, Owhango 3989 Ph: +64 7 892 2630
